Summer School Of Eastern Kentucky State Normal.

The State Normal Summer School at Richmond is now in full blast. The term opened on June 8th and will close on July 17th. The enrollment for the present term alone is 159. This makes 738 to enroll in the Normal School for the entire year. A large number of students are in the Summer School who have been here for several months. In all there about 275 doing work at present in the Normal School. The enrollment of this year surpasses that of last year by 188, and there are a few who perchance may enroll before the close of this year. As the progress which has been made during this year far exceeds that of last year, so it is hoped that next year will keep abreast of the educational demands and greatly surpass the present year. An enrollment of 1,500 and an actual attendance of 1,000 has been adopted as the "battle cry" for 1910. There are 4,500 teachers in the Eastern District and it does not seem impossible to reach these figures. All that is needed is an awakened public sentiment and a realization of the opportunities of the Normal School at Richmond. Prof. I. H. Hoothe, of the faculty, will visit during the Summer and Fall a number of county institutes as a special representative of the Normal. He will endeavor to show the teachers why they should attend the Normal and come in contact with the educational movements of the day and better prepare themselves for their work as teachers.

The school has been at a disadvantage in the past on account of the lack of ample room. This condition will be relieved by another year. Three handsome brick buildings are now being erected upon the campus at a total cost of \$97,000. They are the model school building, a girl's dormitory, and a power house. They are modern in every respect and will add greatly to the comfort and convenience of the school. The contract for these buildings was let to Combs Lumber Co., of Lexington, some time in April and the work has been progressing nicely all Summer. The power house is nearly completed and the brick layers are about through with their work on the model school building. A pipe line ditch which connects the power house with the other buildings, extends across the campus and makes the campus a little unsightly for the present. The work is being pushed rapidly and will be finished by Winter.

Ten or twelve of our young men attended the State Convention of the Young Men's Christian Association which was held at Danville, June 11-17. The local organization of the Y. M. C. A. is very active, and our delegates reported a pleasant and profitable stay in Danville. It is the policy and spirit of the Normal to have representatives in all such gatherings as this one.

Wednesday, June 23, was a day off at the Normal and the school went in a body to the Kentucky Educational Association at Estill Springs. The trip was an interesting and enjoyable one except for a Summer shower that added the discomforts of dampness and mud to the occasion.

The cornerstone laying and dedication of the model school building occurred last Tuesday. A crowd of 500 or 600 people was present and listened to able addresses from Gov. Wilson, Senator McCreary, and Hon. A. R. Burman. The cornerstone was laid by Gov. Wilson at 5:30 and the handsome, immense building was dedicated to the late Dr. R. N. Roark. In his speech Gov. Wilson made a strong appeal for better roads and better schools. He said that the roads measure the civilization of a people and that the schools measure the

education and enlightenment of a people. The Normal School has enrolled several prospective county superintendents during the present year. The nominees for that office from six counties have been in school here. They are Miss Sloan, of Clinton Co., Messrs. Starns, of Grant, Land of Estill, May, of Magoffin, Mullikin, of Robertson, and Meade, of Johnson.

Last but in no wise least I must mention the State Normal Student, a paper published by the student body of the Normal. The paper is gotten out each month and contains articles from the students and school news in general. Eleven hundred copies were printed for the June issue and one was sent to the chairman of every educational division in Eastern Kentucky. The writer is manager of the paper and is considerably interested in its welfare. He would be glad to send copies to any of his Lincoln county friends who are interested enough to ask for a copy.

E. C. WALTON

We feared that it was too good to be true that some night riders at least should feel the halter draw. The six men given death sentences for the murder of Capt. Rankin in Tennessee had their cases reversed because of some little irregularity in getting the jury. This is the beginning of the end. The men will never be hanged. Old technicality has saved many a murderer and will save as many more. The laws seem to be made to save those who break them. It is just such acts as the Tennessee court has been guilty of that breeds the mob spirit and makes a resort to lynching sometimes apparently necessary. If there had been the least doubt about the guilt of those convicted of murdering Capt. Rankin the case would be different. There being none they should not have escaped on a mere technicality. The reversal of these cases will create greater contempt for the law than ever and if mobs get in their work the highest court of Tennessee will be responsible for it.

THE Somerset Journal says it is all poppy cock about Caleb Powers and Charley Finley opposing each other for Congress, and that the battle royal will be between Powers and Edwards, with Finley on the stump for the former. In the martyr act Finley isn't in it with Powers, and he realizes it. Therefore the assassination defenders will be given a chance to prove their assertion that there is nothing too good for Powers, who misused in an effort at flight and came near getting his neck broken besides, while Finley was enjoying the fat of the land of Indiana.

THE Atlanta heiress, who married her chauffeur, repented of her act almost as soon as done. In action for divorce he declared that she was under the influence of a drug, when the ceremony was performed. It was granted, but her experience should teach young women not to get so familiar with such men as to create such aspirations in their minds. Romances of this character usually result disastrously.

THE school per capita has been fixed at \$4, or 40 cents more than last year. It is the largest in the history of the State but no credit is due the republican party. Every thing that has been done in Kentucky in educational or other advancement is due to the democrats. If the school fund was not absolutely inviolable it is likely that there would be a deficit in that as in the other funds of the State.

LEXINGTON is having a time fixing up a water contract. At this distance it looks to be a bluff to make outsiders believe that water is used there so largely as a beverage. The impression prevails out in the State that the average Lexingtonian is more concerned about his beer and whisky supply than the water, which he only uses for cleaning purposes.

POLITICAL.

Hon. Mills M. Logan, of Edmonson county, has announced for Attorney General on the next democratic State ticket.

Wayne county democrats nominated a full county ticket with G. T. Ramsey, well known here, the candidate for sheriff.

It is stated on good authority that Chairman Combs will appoint Gen. Percy Haley secretary of the Democratic Sub-Committee at Lexington.

Madison county republicans nominated a full county ticket. Minion Young is the nominee for Representative and A. R. Burnum, Jr., for county attorney.

Attorney General Jefferson D. McCann, of Nashville, who successfully prosecuted the Coopers for the murder of Senator E. W. Carmack, announces his candidacy for Governor of that State.

A special session of the Alabama Legislature has been called for July 27 to consider legislation to strengthen the liquor laws, since the Supreme Court has decided laws against "locker" clubs unconstitutional.

Last week James Wesley Sims, the nine-year-old son of Mr. and Mrs. F. M. Sims, was thrown by a colt he was riding and found, by his father, unconscious. After several applications of cold water he recovered sufficiently to be taken home. Dr. Wesley's examination found severe bruises, but no bones broken and he is quite lame.

Mr. Joe Reed, one of Columbia's most prominent young business men, arrived last Thursday morning at "Violet Slope," the beautiful home of Mr. and Mrs. Chas. Pile, to see Miss Birdie Breeding, their guest. In the afternoon a drive landed the family and young couple at Hotel Weatherford in our city. Rev. W. S. Willis was called and in a beautiful and impressive ceremony united their hearts as one. Repairing later to "Violet Slope" a delightful repast was enjoyed by them and their coterie of friends. They left Friday for Columbia, their future home, carrying the best wishes of all their Lincoln county acquaintances.

A most brilliant and pleasant social function was enjoyed by a host of young people on the evening of June 29th at the home of Misses Catherine and Berta Murphy in McKinney, when they entertained under the auspices of the Pi Sigma Kappa fraternity of Bourbon College in honor of their visitors, Misses Fishback and Bibb and Messrs. Fithian and Huffman. The lawn was beautifully decorated and illuminated by Japanese lanterns of a variety of colors and the lunar orb shown forth in splendor grand to add to the gayety and mirth of the occasion. The event was graced by the presence of guests from eight different counties of Kentucky and Indiana was not without a representative. After refreshments had been graciously served, and the evening intensely enjoyed as a result of the generous hospitality that is characteristic of the occasion, the guests departed to their homes feeling that it was good to have been there.

Mrs. Bettie, widow of the late Samuel Rector, of Dunnville, passed en route to visit relatives in Casey Saturday. Hon. Geo. E. Stone passed through to Casey Saturday. Mr. Geo. Helm and wife, natives of this county, but residents of Clifton, Texas, for many years, are visiting Sam Helm and family at Peyton's Well. Mrs. Jennie Page Adams, of Greenville, Tex., came home with A. Jerry Adams and wife Saturday for a visit to the scenes of her school days and her sister, Mrs. A. M. Frye. W. G. Cowan attended the funeral of his uncle, J. J. Frazier, at Somerset. One of the largest processions ever seen in that city attended the services. Mr. Alex. Hicks, who lives near "Sims Springs," has been seriously ill for past ten days. Mrs. D. H. Cullen, of Marion, Ohio, is the guest of her relatives, Evan Lyon and family. Mrs. Ann Bosley is in Danville visiting her children this week. Little Geneva Newell was the recipient last week of a handsome runabout, a present from some loving friends.

Life 100,000 Years Ago.

Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown, of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure is a local mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, cleanses the blood, and discharges, while the Restorative, raises nervous excitement, gives renewed vigor and ambition, builds up wasted strength, restores the strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—a general tonic to the system. For positive local help, use as well

BRODHEAD.

Hamm and Albright will start their wheat threshing this week. Will begin in the Sayers neighborhood but will soon go to the Hiatt section.

The trials of Per Rigby, for killing Greeley Lair and of Dick Pike for killing Mize at Livingston two years ago, were put off until next term of circuit court.

Mr. John Cherry, father of our merchant, J. T. Cherry, is almost blind but is under treatment of Dr. O'Bannon, of Stanford, who is confident he can restore sight.

Children's day was celebrated at Freedom Sunday. A large crowd, good speeches and singing; lots to eat and ideal picnic weather made the day an enjoyable one.

There will be a business meeting at the Baptist church at two o'clock Saturday July 10th. All members are requested to be present as some important work needs to be done.

Born, to Mr. and Mrs. J. Egbert Wallen, a boy. Mr. B. F. Sutton, of Wadd, is reported very sick. Fred Durham and wife, of Elizabethtown, are visiting the latter's parents here this week.

Elder J. W. Masters preached two excellent sermons at the Christian church Monday and Tuesday night. Both the Christian and Baptist churches are without a pastor now. Times too hard we presume.

Mr. Zeb Hall and wife, of Pineville, were guests of Mr. Asa Sams, of the Mareburg section. Mr. Hall is in the employ of the L. & N. as section foreman and is considered one among the best track men the company has.

We are told that some of the grand jurors after being dismissed last Saturday at Mt. Vernon having finished the work for this term of circuit court tried to get money on their claims and the banks nor any other concern would advance the money even at a large discount. Where, oh where is prosperity and a full dinner pail?

The Livingston Baptist Sunday school with Mr. Drummonds as Superintendent and the Baptist Sunday school at this place, W. H. Sowder Superintendent, are running a race with each other now for the largest attendance and collections of money. So far the Brodhead Sunday school is ahead in attendance but Livingston beats in money matters.

Mrs. J. H. Jarrett informs us that their family will enjoy a home coming sometime in the near future, those away are John Jarrett Jr., and wife, of near Liberty, Casey county. Mrs. Dollie Cornelius and son, of Durango, Colorado, an Ex Jailer Owen Jarrett and family, of Mt. Vernon, probably Miss Verne Jarrett, a grand-daughter of Flora Viste, N. M., will accompany Mrs. Cornelius. Bell Lawrence, the trifling fellow who escaped from a pest house on Rockcastle river last Autumn and came through this section scattering small pox from which about 50 persons were inoculated, including yours truly, was indicted by the grand jury last court but was not arrested until last week. He is now in jail awaiting trial. His low down actions cost this county nearly \$2,000.

The way things look and the way people talk seems we are to have about three weddings in town soon. Only guess work but we have guessed pretty well all along. Dr. W. F. Carter and bride are expected back from their tour soon and will go to housekeeping in the residence given to Mrs. Carter by her father, Larkin Hicks. He will probably move to his wife's property near Bee Lick.

Notwithstanding the wet Spring we have had and the inability of our farmers to properly plow their crops everything looks splendid and it seems we are to have a large corn crop, yet a few farmers living in the low lands have given up a small part of their crops on account of wet weather. All during the rainy weather hoes have been made good use of and as a consequence corn fields are pretty clean of weeds.

Mrs. Ed Woodall and Mrs. C. E. Rice, of Livingston, attended children's day at Freedom last Sunday and were the guests of Mrs. Rice's parents, Mr. and Mrs. G. E. Painter. Mrs. Rice returned to her home Monday but Mrs. Woodall extended her visit to her parents at Wadd. Mrs. Mollie Skirvin, mother of Mrs. J. M. Adams, of this place, returned to her home in Grant County Monday after several days visit with her daughter and other relatives here. Miss Ella Carson and her brother, Bane, children of Mr. W. A. Carson, our painter here, are at home on vacation. They have been in school at Princeton, Ky. Miss Ollie Rainey, of Mt. Sterling, is with relatives here. Mrs. Nannie Vest and Mr. Orvil Colyer and wife, of Covington, were visiting here first of week.
